Broadway Arts Center provides all class uniforms and shoes.
All long hair should be pulled up. No jewelry, gum, candy or cough drops.
Students must borrow a uniform from the studio if they come to class without one.

Studio uniforms build class unity, reduce distractions, eliminate “competitive” attitudes towards appearance and help create an equal and positive learning environment.

Studio Calendar

Classes follow Studio calendar posted on our website and in the waiting room.
Broadway Arts Center *roughly* follows the **Jefferson City School** calendar for *most* Holidays and breaks. We realize students who attend other school systems may have different breaks – and we welcome them to make up any classes missed due to vacations in another class within 30 days.

Breaks / Studio In-service

While students are off on breaks, the studio is hard at work with the “behind the scenes” planning for classes and our show. We are busy writing scripts, creating choreography, ordering / sorting costumes, making tickets / programs, set / lighting designs, building sets / props, editing music. This preparation time is essential for an organized, creative and professional production.

Class Enrollment

Classes with low enrollment or attendance may be shortened, merged or cancelled.

Check our website or call the studio 706-367-7589 for class cancellations
(We will NOT call students)

Two “emergency” days (per class) were previously deducted from tuition to be used for this purpose. Because you were NOT charged for these 2 days – the Studio is not obligated to reschedule or refund classes cancelled for bad weather or other emergency.

However, You are welcome to make up any cancelled class in another class within 30 days. (contact us ahead to arrange) On the VERY rare occasion that a class misses more than 2 days because of bad weather the studio will make arrangements to “make good” for those days

Picture Day

Picture Day is a time honored tradition in the dance industry!
During this special week a professional photographer will be at the studio to take pictures of each class in their costumes and individual photos for anyone who wants them.

This is an *optional* service that we provide - you are not required to purchase pictures.

(We will practice our recital dance, but regular Classes are NOT held the week of pictures.)

PARENTS MUST BE PRESENT FOR PICTURES

Class Attendance

Students need to be present in class each week to grow and progress as dancers. Dance is an individual & team activity. When students are absent it affects the entire class. Students with poor attendance may be denied participation in the recital, switched to a lower level class, or held back the following year.

HEALTH and SAFETY

Too sick for School? Then too sick to Dance!!

For the health and safety of our staff and students-

Students who stay home sick from school – may NOT attend dance that day.

Please keep your child home if they have a bad cough, fever or showing signs of sickness.

You may make up 3 missed classes in another class within 30 days. (call ahead to arrange)

Class Placement

Proper class placement is important to ensure that students are successful.

Students are placed by age and ability.

The first few weeks of class are considered a trial, and instructors may move students to higher/ lower level classes based on their evaluation.

Class Discipline

Broadway Arts Center relies on clear, consistent class rules and boundaries with positive reinforcement to maintain class discipline. We offer gentle but firm guidance and the "Time out" technique for students who demonstrate inappropriate behavior. We ask that parents trust our highly educated and experienced staff in handling class behavior. Please be respectful to our instructors and do NOT interfere or interrupt their classes. This undermines the teachers authority and causes added disruption. If we need your assistance we will ask. Yelling, belittling or physical actions by students, staff or parents is NEVER allowed. Disruptive/ disrespectful behavior is not tolerated and will result in immediate dismissal without refund.

Withdrawal

When you enroll in a "full season" class you are making a school-year long commitment. And just as you would cancel your phone or cable – you must notify us if you no longer want our services or you will continue to be billed for your space, *regardless of your attendance.*

**Withdrawal for any reason, requires notifying the office in WRITING
- 30 days in advance plus One Months Tuition.**

You are responsible for tuition / fees through the end of month of your 30 day withdrawal period
Tuition will NOT be pro-rated if you withdraw in the middle a billing cycle.

No costumes are awarded if you withdraw before the spring performance

Students who pre-register and withdraw before classes begin will be subject to a \$75 penalty if we are unable to fill the spot we were holding for them .

Broadway Arts Center

Reserves the right to deny class / performance participation (without refund) for the following:

- ✓ **Accounts over 2 months in arrears**
- ✓ **Excessive absenteeism**
- ✓ **Negative attitudes of Student/Parent**
- ✓ **Improper attire**
- ✓ **Inappropriate or disrespectful behavior**
- ✓ **Unwillingness to abide by studio policies**

Spring Performance

Each spring Broadway Arts Center invites all its students to participate in an end of the year production to demonstrate their new skills. Unlike many other studios, that offer a “showcase” style recital, we offer a mini-musical! Broadway arts Center presents an original story using unique characters, sets, props, costumes, lighting and microphones on a profession stage. Although performance is an important part of a dancer's education, our priority is on education. Class time is spent building skills and technique not solely practicing “show” routines.

Our show will last about an hour. Each class will present ONE number in the show. Students desiring more performance opportunities are encouraged to take multiple classes .

Costume/Performance expenses are INCLUDED in your tuition and are Non-Refundable and Non-Transferable

All costume, music, casting, all other performance details are the sole decision of the director and will be revealed after Winter Break so that our main focus and priority will continue to be on Education and our weekly lessons.

Costumes are ordered in the Fall – Students who join late will only be able to perform if we are able to get a costume in time – rush delivery fees may apply.

Multiple Performances

To accommodate all our supportive fans, Broadway Arts Center may present more than one performance. Most students will perform in just ONE show, but some students may be required to perform in multiple shows. This will be determined each year by the needs of our script Your tuition includes 4 tickets (total) per family – **not per show**. If your child is in multiple shows the additional performance will NOT raise your tuition NOR raise the number of tickets you receive (4). You may purchase additional tickets to any performance or consider being a volunteer.

Siblings

We know it can be difficult to schedule activities for multiple children, and we try our best to make it as easy as possible for you! To help out families we currently offer very generous discounts for sibling tuition. We also designate showtimes for each class on our schedule at the start of the season. This gives you the opportunity to choose classes that will perform in the same show and avoid additional ticket expenses. (Tuition includes **4 tickets** (total) **per family** – not per child, not per show. Addition tickets can be purchased.)

Performance Updates

As our season progresses, additional information or updates will be posted on the board in the waiting area. Make it your responsibility to keep abreast of this important information. It is our goal to make the performance experience organized and exciting for all involved. It's a team effort for students, their parents and Broadway Arts.

Home Study

To ensure that the students feel comfortable about their performance, we ask parents/guardians to encourage them to rehearse their choreography / lines on a regular basis. We will upload a practice video of your childs dance to our website so you can practice at home.

Costumes

Many hours are spent determining the correct costume for each class. They are always age-appropriate and of the highest quality possible. Unless told otherwise, costumes include all accessories (headpiece, gloves, etc.)

Distribution

Costumes are distributed when all outstanding balances for the season (including all tuition, Late fees & performance fees) are paid in full. Students should NOT wear their costume, tights, or accessories prior to Pictures/ Rehearsal/ Performance. **Deadline for all balances is April 10th .**

Sizing

Costume measuring begins in October during class time. Each child was measured to determine his/her proper costume size. Two inch allowances for growth are made for all students.

Alterations

Although rare, if alterations are needed after the costume has been distributed, they will be the sole responsibility of the parent/guardian. Alterations may be made for size only - adjustments may not alter the overall design or look of the costume.

Costume Care

Please put your child's name on all costumes, shoes, accessories and tights. Store your child's costume in a garment bag and place all accessories in a clear plastic bag. Press or steam costumes prior to rehearsal, hanging it in the bathroom with the steam from the shower works well to get out wrinkles. DO NOT wash costumes in washing machine; dry clean only (After the show)

Tights

To ensure that there are no discrepancies in color and style, ONE pair of tights are included: pink (ballet) or tan (Tap, Theater). Please do not wear before the Dress Rehearsal. It is recommended to order an additional pair of tights in case of runs/ rips.

We will accept orders for tights up till April 1st

Shoes

Students must have the proper color/style shoes for their class for the performance. These requirements are outlined in the dress code policy in your registration brochure.

We will accept shoe orders till April 1st .

Withdrawal

No refunds will be made if a student withdraws from the program prior to the performance. Students who withdraw before costumes are distributed, will not be entitled to a costume.

Makeup

Stage make-up is part of show business! Without makeup the bright stage lights will "wash out" your child and you will not be able to see them as well on stage or video. Makeup should be applied heavier than ordinary day-to-day use. You may use your own discretion on colors

All female students are required to wear make-up for the recital.

(lipstick, blush, eye-shadow, and mascara)

For male students a just little blush works well but is not required.

Hair

All hair must be neatly pulled off the face in a Bun unless otherwise notified.

Long bangs should be secured back (shorter bangs can remain as long as they are neat)

All items used for securing the hair (barrettes, clips, bobby pins, elastics) must blend with your child's hair color. Other than the assigned head piece - additional decorative items (Beads, Bows, etc.) are NOT permitted. Be sure to secure head pieces tightly – practice securing and moving around with head piece ahead of time.

Pre-Planning

Gather your costume (s), accessories, shoes, tights and makeup several days in advance so you know if something is missing or isn't right. Make a check list of all items needed and check it before you leave for the theater. Some additional items you may want to bring:

Extra Tights, Safety Pins, Hairspray, comb, extra bobby pins, Baby powder for Itchy costumes

Dress Rehearsal @UGA FINE ARTS BUILDING

Upon arrival One accompanying parent/guardian will receive a wristband a to enter the rehearsal for free. This band will also admit the parent to pick up the dancer at the end of the rehearsal. All additional guests (age 3-up) attending the dress rehearsal will be subject to a \$10 admittance fee.

Students MUST arrive already dressed in their costume with makeup and hair done.

(Students in multiple numbers should arrive in their First numbers costume)

The dress rehearsal allows the students to become familiar with their performance, costume, and being on stage. Lighting, music cues, set changes, microphones and all other logistics for an organized and professional performance are rehearsed so that students make the best possible impression.. We run an organized and timely dress rehearsal: your help with this process will guarantee a professional production. **Participation in the rehearsal is MANDATORY – no exceptions** Please arrive on time.

Green Room Etiquette

Students will spend more time in the green room (backstage waiting area) than on stage, so please do your best to keep them organized, occupied and clean! NO FOOD or DRINK is allowed in the green room. Students must respect others space and property in the green room. Broadway Arts reserves the right to dismiss any student who exhibits inappropriate behavior.

Costume Changes

All costume changes must be made in their classes designated area, NOT in bathroom stalls

Finale

All students will participate in the finale, which we will rehearse in class. A run-through of the finale will take place at the end of rehearsal. After which, students will be dismissed. If for any reason rehearsal runs later than expected – we will dismiss our younger classes before the finale. Classes that need additional practice may be asked to stay after.

Drop off & Pick Up - Dress Rehearsal & Show

Students must arrive **DRESSED in full costume, hair & makeup done.**

Parents/guardians should bring students to the **BACKSTAGE** entrance around the side of the theater (not through the auditorium) where they will be checked in at the doorway where a BAC volunteer will escort dancers to their green room. **Parents /guardians and guests are NOT allowed Backstage.** One Parent per family will receive a wristband when they drop off their child - this band will allow that parent into the **Dress Rehearsal** for free (all other guests that attend the rehearsal will be subject to a \$10 admittance fee.) After rehearsal parents with wristbands will be admitted backstage to check out children from the stage and exit out the backstage door in an orderly fashion.

CAMERAS at Rehearsal ONLY

Videos and photography are **ONLY** allowed at the Dress Rehearsal! No electrical outlets will be provided , so be sure your batteries are charged.

Absolutely NO Video or Cameras of any kind are allowed the day of the show:

Not only is it a dangerous and distracting to the performers, it is also a matter of privacy.

Security guards will ask you to put ANY cameras back in your car.

Athens Video Services will provide a professional video of the performance for anyone who would like a copy. Order forms will be available prior to the show as well as at the rehearsal and show.

Auditorium Rules

No Food , Drink, or Smoking allowed.

(B.A.C is FINED by the theater if guests or students do not comply!)

NO COSTUMES IN THE AUDIENCE

The Theater Charges a \$200 cleaning fee for Glitter in the Auditorium!!!

Performing students are NOT allowed in the auditorium at any time during their rehearsal or show.
(Unless part of their performance)

Students who are not performing must bring a change of clothes to watch another show
(and must have a ticket)

NO CELL PHONES/ PICTURE PHONES

Cell phone signals interfere with our wireless microphones. Even in "silent" mode, cell phones will cause our microphones to cut out. Please leave your cell phone home or power it completely OFF. Please remind your guests of this important rule as these microphones are very expensive to use and students deserve their performances to be heard. Picture phones are also prohibited as they too interfere with our microphones. Because this causes such serious technical problems, we ask for you and your guest's complete cooperation in this matter.

THEATER CLOSED BETWEEN SHOWS

All students, guests and volunteers must vacate the theater immediately after the show. The theater will re-open 30 min prior to next show. Saving seats for the next show is not permitted

Backstage

Family members and friends do not belong in the backstage areas or green room before/during/after at the rehearsal or show. The backstage area has limited space and is filled with delicate props and sets. After the show there is no admittance back in the auditorium/stage.

Show Ticket Policy

Tickets are required of all guests to attend Recital
Children under 3 yrs do not need tickets – but must sit on an adults lap.

BAC IS NOT RESPONSIBLE FOR LOST TICKETS!

Each family will receive 4 (free) show tickets that must be reserved online ahead of time and 1 Free Dress rehearsal wristband for the accompanying parent which will admit them into the rehearsal for free. There is a \$10 admittance fee for all other guests (siblings, Parents, relative or friends) that attend the rehearsal.

**EXTRA TICKETS CAN BE PURCHASED ONLINE at WWW.TUTUTIX.COM
TICKETS SOLD AT THE DOOR (general admission - in the rear orchestra level)**

Parent Volunteers

Volunteers WILL be able to watch their child dance from the audience! The performance weekend is a hectic experience; all volunteers must work in a cooperative manner at all times. Our backstage crew works very hard to put a system in place that works; we ask all volunteers to rely on our experience and follow instructions.

Do not bring guests, including children, with you while you are volunteering.

***CLASS MOMS**

Class mothers are needed for each class to supervise the dancers backstage. They will have a seat reserved in the audience to watch their child's number. Class moms must assure that each child in their care is safe and accounted for at all times. They are responsible for making sure each child is in the proper costume, shoes, and accessories. They must line the children up properly and assist them quietly up the stairs to the backstage at the appropriate time. They will

exit the side door to the auditorium and watch from their reserved seat. After the number is over, they will return their class to the green room. The number of volunteers needed is determined by class size. Volunteer positions will be filled first come-first serve. If more Moms volunteer for your class than needed you may be asked to assist with another class.
